

armstrong.h

```
graph TD; A[armstrong.h] --> B[stack.h]; A --> C[math.h];
```

A diagram showing a header file 'armstrong.h' at the top, which has two arrows pointing down to 'stack.h' and 'math.h'. The 'armstrong.h' box is shaded gray, while 'stack.h' and 'math.h' are white with black borders. The arrows are blue.
